

BCCA Easter 2018 – Beaudesert QLD

Deposits required by Friday 22nd Dec 2017

Its Queensland's very first turn, to host Easter for 2018.

So if you want to be part of history get your deposit in and start planning the trip.

You will get to see several QLD cars for the very first time.

We are excited to show off the QLD state and are looking forward to putting on a great weekend.

We have planned a traditional Bolwell Easter, with a few Queenslander flavours.

Accommodation will be the Annalee Motel Beaudesert overlooking tranquil parklands.

Might be a good idea to get in quick as we have 20 rooms, to accommodate 44 people, we have a backup motel a few streets away.

Parking is just outside your hotel door. Even has a pool, for those brave enough to take a dip.

Friday night we will taste real Queensland beer & ciders and other healthy drinks.

We are looking at a Motorkhana at the Mt Cotton driving facility. There will be other cultural activities for those who are not that into watching Bolly performance testing.

There are lots of great venues for the show and shine, so we are spoilt for choice.

If you haven't been to the scenic rim in southern Queensland, you will love it. The Commonwealth Games are on the Gold coast the week after the National Bolwell weekend so why not come up early and have a look around the rest of south east Queensland.

All this, some great wines, food and catching up with all your Bolly friends from all over Australia, it's going to be fun!

We have a tentative price of- adults \$495 each and children \$240 each. So please send the following form & \$100 / person deposit to secure your spot by Friday 22nd Dec 2017.

You can pay by electronic banking using the following details:

BSB 013 – 402

Account Number 2962 - 34219
