Presidents Report

What a delightful Christmas in July, oh, and the AGM. John and Penny hung around long enough after travelling around the country side, to join us for our meeting and now are on their way home. I do not think they left hungry nor sober.

Most positions remained the same (why oh why am I president,,,,,will you lot ever learn) except for what I think is the most important, editor. I must thank Tina and Mike for doing a great job and I am sure Tina will still supply picture's still.

Ben and Zoe have agreed to do that job. I know from doing it in the past that contributions from members is ALWAYS gratefully accepted. From Pictures and notes from your outings of your cars to updates on any restoration projects going on. Please forward them to Ben and Zoe.

PLEASE ALSO BE REMINDED YOUR MEMBERSHIP FEES ARE DUE. These remain the same as last year and banking details will be in the slipstream or pay at the next meeting.

Our next meeting will be at York but will be in conjunction with a drive with fibreglassics #4 run. I have sent detail's before and will do so again before the event. We have been allocated parking for those taking our Bolwell's. It also coincides with the York motor show. We will also be investigating the town as a possibility for Easter 2020. So please come along. The meeting will be more relaxed than normal and will concentrate on Easter 2020.

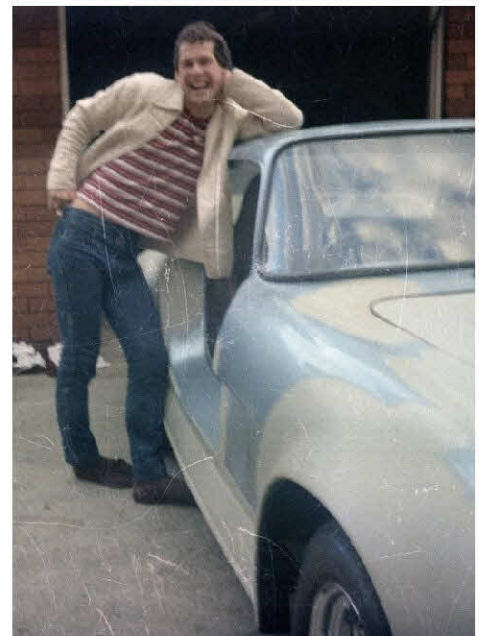

Those going to the Island next year please keep up to date with emails.

I would like, finally, to thank Kim and Ann on hosting Sunday. You did good. And as John said, your Nagari alone deserves to be at the Island next year. Just do it.

Stacey.

President for another year!

(ed, and the ones after this too)
